Contract / P.O.:

To:

Smart Skill Contracting Est. (C.R. 7016908217), Sari Street, As Salamah, Jeddah 23436, Kingdom of Saudi Arabia, hereby issues this Warranty/Guarantee Letter for all headed shear stud connectors (Type B) and ceramic ferrules supplied to the above-referenced project.

1. WARRANTY COVERAGE

- Products are manufactured in compliance with ISO 13918 (material properties compatible with ASTM A1044/A1044M) and are free from defects in material and workmanship at time of dispatch.
- Dimensions, tolerances, and mechanical properties conform to ISO 13918, supported by mill test certificates and Certificate of Conformity issued with each delivery.

2. WARRANTY PERIOD

Twelve (12) months from the date of delivery against manufacturing defects, provided products are stored, handled, and installed per Smart Skill's Manufacturer's Installation Recommendations and ISO 14555 / AWS D1.1.

3. EXCLUSIONS

- Defects from improper storage, handling, or installation not in accordance with Smart Skill's recommendations.
- Weld quality issues attributable to site welding equipment, operator competency, or base metal condition.
- Damage from misuse, modification, abnormal service conditions, or force majeure.

4. REMEDIAL ACTION

In the event of a verified manufacturing defect within the warranty period, Smart Skill shall replace the defective product or issue credit for the affected quantity following joint inspection.
